Deadline	September 28, 2026, 3 p.m.; source says Central Standard Time. Confirm the intended local-time cutoff.	
Submission	Paper copy only. Obtain receipt instructions before dispatch.	
Scope	Four facilities. Daily City Hall/library cleaning; weekly wastewater plant/civic center work, plus scheduled and event tasks.	
Term	One year beginning October 13; up to two one-year renewals.	
Site visit	September 18 tour was explicitly optional. Questions deadline has passed.	
Operating requirements	City supplies equipment/materials. Staff background checks and liability insurance requirements apply.	
Proposal essentials	Three recent contract references, staffing/work plan and quality-assurance process. HUB certification receives evaluation points.	

Screening judgment

Review urgently only if staffing, references and physical delivery are already feasible. This is a lead to assess, not a recommendation to bid or an assurance of eligibility. No bidder profile, job-cost estimate or contract value has been supplied.

Resolve before committing

Confirm the receiving location, exact deadline interpretation and latest amendments. Check Exhibit A against the proposed labor schedule. Do not treat the optional tour as a disqualifier or assume all work fits a standard weekly clean.
